

ATLANTIC TIME TRACKER

WHAT OUR CUSTOMERS SAY:

“Atlantic Time Tracker is so user-friendly and simple.

Love how it all comes back to reports in real-time giving us access to run reports and determine scheduling for employees. Saved our company thousands in over-time costs. Paper timesheets proved to be inaccurate and unreliable.

Atlantic Time Tracker is something every company should utilize”.

★ ATLANTIC TIME TRACKER

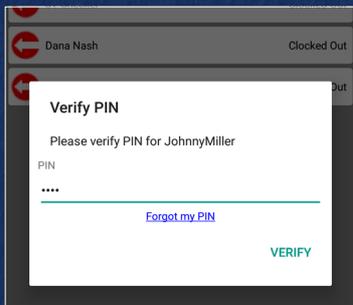

...is a mobile application that can turn a mobile device (Android and/or Apple iOS) into a virtual time collection Kiosk which is a great alternative to traditional punch time clocks. The Atlantic Time Tracker application will allow a group of employees to individually clock in and out as well as capture breaks for the collection of mobile time and attendance.

★ TIMECARD GPS BENEFITS

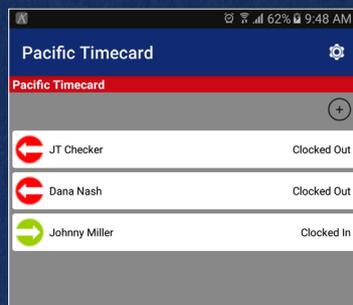

- Helps companies with Labor Law regulations.
- Fast return on investment by eliminating time-theft.
- Better visibility to manage mobile workers' activities and GPS movement.
- Reduce processing payroll time and more accurate time calculations.
- More efficiency and better visibility of job costing and overtime.
- Live customer support and new release enhancement at no additional annual costs.
- Ideal for warehouse workers, maintenance personnel and farm hands
- Replaces wall punch clocks and paper timesheets
- Real Time data of workers jobs and time and attendance
- Eliminates buddy punch with photo capture

★ TIME TRACKER FEATURES INCLUDE

- Individual Clock In.
- Photo Capture at Clock In and Breaks.
- Access to over 35 reports.
- Reports are exportable and can be scheduled (Daily, Weekend, etc.).
- Location of smart device when shifts are collected.
